real food done betta

## WE ARE HIRING!

Jrk! is the evolution of Jamaican cuisine, where chef- inspired dishes are served within a vibrant fast-casual environment. Our concept will take you on a gastronomic exploration of Jamaican cuisine that caters to both vegetarians and meat-eaters. We transform traditional homemade Jamaican dishes to a modernized health-conscious selection by using high-quality ingredients at a reasonable cost.

We're looking for motivated individuals interested in the food service industry!

Think you could be a good fit?
